Rural Garden Tour of the Grey-Bruce Peninsula

June 20, 21, 22, 2017

Three full days of touring the Grey-Bruce Peninsula have been planned. Selected for their variety; eight gardens will be visited. Each is unique, featuring either unusual plants and plantings, stunning vistas, garden art and garden ornaments. As well, we will be enjoying a two-hour cruise in a glass-bottom boat to view shipwrecks and marine life, plus we will be touring a couple of wineries and cideries. There's time allotted for shopping and sightseeing on your own. The detailed itinerary for the trip will be given to passengers upon sign-up.

Reservations have been made for our group at the Best Western Inn on the Bay, Owen Sound. Tel: 519-371-9200.

If you are interested in touring with us, a financial commitment is necessary by

June 7, 2017.

The price of the trip, includes three breakfasts, two lunches, three dinners, many mid-morning and mid-day refreshments, various entry fees, tickets, and all gratuities. You will be on your own for Day Two lunch in Tobermory.

\$550.00 pp based on Double Occupancy

\$725.00 pp based on Single Occupancy
