

Tillsonburg Junior Gardener 2026 Program

The Tillsonburg Horticultural Society is excited to sponsor the children's gardening program,

Superheroes in the Garden!

This year, children will create gardens with seeds, plants, and bulbs, to grow "super" foods and "super" plants. They will learn that like them, plants need good food in the form of good soil and fertilizer, as well as water and sun to help them grow to be healthy and strong. In addition, they will learn how plants help other plants, birds, bees, insects, and animals. This will help them understand, it is our job to look after plants because they help look after us!

Program Details

- Limited to the **first 80 registered gardeners** ages 6 to 14.
- Complete this form and e-mail early to tbhsjuniorgardener@gmail.com.
- **LAST DATE FOR REGISTRATION IS FRIDAY MAY 15, 2026.**
- Planting packages will be available at a Junior Gardener booth set up at Tillsonburg Garden Gate, 167 Simcoe St, Tillsonburg, on Saturday, May 30th and Sunday, May 31st.
- Registration fee is **\$5.00/child** and will be collected when planting package is picked up.

- This year all registered Junior Gardeners have the option to have one or more of their plants, vegetables or flowers judged the weekend of August 7 to 9th at Tillsonburg Garden Gate. More information will be in the planting packages. **Please note: We will not be visiting participants gardens.**
